SUBJECT: James Warren Smith

Dear Mr. Ernst:

James Warren Smith is no longer a registered volunteer with the Lake Huron Area Council. During the time he was involved he worked well with all involved. In my opinion there would be no reason to question Mr. Smith and his ability to work with youth. Since he is no longer involved we have had no success in following his current activities and therefore can not update his status completely.

Many thanks for your concern and support. Please notify us if we can be of further assistance.

Sincerely yours,

Dear Mr. Parker:

You may recall the correspondence you and I had in January, 1978, in regard to the above Scouter.

At that time, Mr. Smith's registration was approved on a two year probationary basis, with the understanding that there would be a review of his character and leadership performance at the end of the probationary period.

The time of this probationary period has ended and it is now necessary to have a new report on this man for possible removal of his name from the Confidential File. Would you please be good enough to write us a letter giving us your current approval of this individual and we would appreciate it if you would please be as definite as possible with regard to any significant evidence in support of your recommendation.

Dear Paul,

This response concerns James W. Smith, Jr., which you wanted us to check out.

At the present time, he is working as a committeeman for an Explorer Post. He seems very active and we see no reason why he shouldn't continue in his present position. We will keep you informed, if we have any indication of problems.

II PERSONS Sentenced

Sentences were issued to 11 persons Tuesday in Tompkins County Court by presiding Judge Bruce G. Dean.

Sentenced were:

— Donald Hairston of Elmira, who received a five-year probationary term with a stipulation that the Probation Department consider psychiatric treatment for Hairston. Hairston had pleaded guilty in June to second-degree assault. A November 1971 indictment charged Hairston originally with second-degree burglary and first-degree sexual abuse in connection with an earlier incident at the North Campus Dorm on the Cornell University campus.

— John Steel, 21, of Ithaca, received two three-year probationary terms to run concurrently on charges of criminal possession of a weapon and sixth-degree criminal possession of a dangerous drug. Steel had originally been charged with third-degree criminal sale of a dangerous drug in connection with a February incident when he is accused of selling heroin to a State Police undercover agent. He pleaded guilty to the reduced charge in September.

— Linda Vorasi Steel, 24, of Ithaca, received a three-year probationary term. She had pleaded guilty in September to a charge of sixth-degree criminal possession of a dangerous drug in connection with the incident involving John Steel.

— Robert Alton Bentley of Caroline was fined \$250 on a charge of attempted third-degree assault. Bentley had pleaded to the charge in the second day of a March jury trial in which he faced charges of second-degree assault and resisting arrest in connection with an alleged fight in November 1971 with a State

of 403 College Ave. was sentenced to a three-year probationary term on charges of unauthorized use of a motor vehicle and possession of stolen property, both misdemeanors.

In March, a Tompkins County jury returned the misdemeanor verdict, although the District Attorney had sought felony convictions in connection with an October 1971 incident when he is accused of possessing a stolen car and property owned by Cornell.

— Morris Ray, 20, of Ithaca, was sentenced to a five-year probationary term on condition he enroll himself in the drug correction program at Alpha House. Ray had pleaded guilty to a charge of third-degree

burglary on June 22. James Warren Smith of Groton was sentenced to a five-year probationary term. Smith had pleaded guilty in June to a charge of third-degree sodomy.

— James Oscar Ware, 52, of 123 Miller Rd., Danby, was sentenced to a three-month term in Tompkins County jail on charges of driving while intoxicated as a felony. A May indictment charged him with the offense. A second conviction of driving while intoxicated in a 10-year period constitutes a felony. Ware's sentence will be served during nights and week-ends.

— Robert Oakes, 28, of 103 E. Spencer St., received a five-year probationary term on charges of driving while intoxicated as a felony, and criminal mischief. Oakes was also ordered to seek treatment for alcoholism. A May indictment charged Oakes with drunken driving in April, on a city street, and of later causing damage in the lock-up cells of the Ithaca Police Department. He was also ordered to make restitution.

— Richard Bradford, 38, of 210 Bryant Ave. was sentenced to

Dear Paul:

In answer to your July 15 letter regarding James W. Smith, Jr., Scout Master of Troop 219, Mr. Smith served a very brief time as Troop 219 Scout Master. He then changed jobs and moved out of our community; consequently, we have no further knowledge of his character or leadership performance on the basis of our knowledge of him. As a professional on our staff for nine months, I believe him to be an acceptable Scout leader. However, it is certainly possible that he is the same man that your records indicate you have had trouble with before.

As I am sure you know by now, Tom Kolin has resigned his position here to enter the accounting business in Atlanta, Georgia. We are struggling along as best we can until a new Scout Executive is employed.

Hope this is of some help to you.

Dear Paul:

Enclosed is the Confidential Record Sheet on Mr. Smith completed to the best of our ability at the present time.

I have been in contact again with William Douglas of the New York State Bureau of Criminal Investigation. A copy of the court record will not be available until the matter comes before the Tompkins County Grand Jury later after this month. I will forward to you at that time.

Re: James Warren Smith

Dear Glenn:

Thank you for your letter of April 3rd concerning Mr. Smith. We have placed this information in our file and have taken steps to have his name deleted from our records.

We do, however, need more substantiating information that will support our placing this man on the Confidential File. Please send us a more detailed letter concerning the facts in this case and also we would appreciate a copy of the police or court record. This information is most important for future reference purposes and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

Sincerely,
